DIDSBURY, ALBERTA, WEDNESDAY, SEPTEMBER 7, 1949

\$2.00 A YEAR, 36 C A COPY

Mrs. M. Liesemer, Didsbury Oldtimer, Dies on August 30

On August 30, 1949, the town and community of Didsbury were shocked at the sudden passing at the local hospital of an old member of the district, Mrs. Martha Liesemer, at the age of 76 years.

Mrs. Liesemer was an active member of the Evangelical church, serving as secretary of the Ladies' Aid for a number of years. She was a life member of the W.C.T.U. and a charter member and past matron of the Order of the Eastern Star. She was a devoted mother and a true friend.

Surviving are a son, Dr. H. C. Liesemer, Calgary; two daughters, Mrs. Laura Pearson, Bashaw, and Mrs. Orpha Halliday, Didsbury. Also four grandchildren, and one sister, Mrs. Mary Bechtel, of Elmira, Ontario.

She was predeceased by her husband and one daughter, Elfreda. Funeral services were held in the Evangelical church, Didsbury, on Friday, September 2nd at 2:30 p.m., with Rev. A.J. Grams officiating. A beautiful solo, "Beyond the Sunset" was sung by Mr. Ward Shierlock.

Pallbearers were A.G. Studer, J. L. Tuggle, W. J. Scheidt, E. A. Deardrick, E. Boettger and G. Dippel. Many floral tributes were received, which showed the high esteem in which Mrs. Liesemer was held in the community.

Interment followed in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

Grain Yields Vary In Didsbury District

Rain over the week end has eased some delay in harvest operations, although on Monday a number of farmers were again cutting grain and stooking the bundles. Some threshing has been done and yields of wheat seem to be running anywhere from eight to 35 bushels to the acre, depending on location. To the east the crops are not so good, but west of town there is almost an average crop outside of the halled strip about six miles west on the blind line, and running north.

From all indications most farmers will have sufficient coarse feeds to carry their stock through the winter, but feed grain will be scarce on some farms and if mixed farming is to be carried on in the usual way some feed grains will have to be purchased. With this in view the local elevators are holding up shipments of coarse grain now coming into the elevators until threshing is completed so that feeders will have an opportunity to determine their needs and place orders locally before the feed grains and seed are shipped out.

SUCH WAS LIFE

It was fortunate for Steve Brooks that "music hath charms." Early in the spring of 1899 Steve decided to hitchhike to Calgary from the James & Otterburn sawmill situated on the Little Red Deer river west of Didsbury, a trip of fifty-five miles with only a one per cent chance of getting a lift.

A late snowstorm left drifts high and artists along the brush, fences and coulee bank. The open prairie, however, was clear enough for cattle to wander and they were keen to get out.

Steve took his accordion along to practise and also to pass the time on a lonesome journey. On the second day he ran into a bunch of range cattle, and if it had not been for the accordion and the snowdrift the cattle would have tracked him down. However, he saw a cave-like drift and ran into it and began to play some fast and loud music. The cattle having dispersed, he emerged from his hideout and continued his journey, playing as he went along, getting good practise as well as passing the time during the crisis.

Plenty of excitement on a lonely trip, at times.

PIONEER CITIZEN

OLDS SCHOOL INSPECTORATE INCLUDES 95 DISTRICTS IN DIV.

According to N.P. Crispo, inspector of schools for the Olds Inspectorate, there are 95 districts under his supervision, including the towns in the Olds School Division with headquarters in Didsbury. The Olds School District No. 235 is the only district in the inspectorate which is not included in the Olds School Division.

The Inspectorate includes the 95 districts in the Division plus the Olds district; 113 Divisional teachers, approximately 2,000 Divisional students.

New classrooms are being opened at various points to provide accommodation for increased enrollment; one at Carstairs; two at Didsbury; two at Sundre; one at Olds.

There are many centralized schools in the Division: 13 rooms at Didsbury; eight at Sundre; seven at Carstairs; five at Cremona; three each at Frontier, Torrington, and each at Hinton, Hartman, New Berthia, Reed Ranch, Salem and Valley Valley.

Members of the School Division Board are: J.H. Robertson of Westcott, chairman; W. H. Davies of Didsbury, vice-chairman; R. Thome of Olds, Mac Dundas of Allingham, L. Hayne of Didsbury, Tom Morris of Didsbury, S. J. Gilson of Didsbury is the secretary-treasurer.

Crop Damage by Ducks Reported

While the duck season in this part of Alberta does not open until Saturday, September 24, there is every indication that the ducks will be here in quantity this fall, providing that the weather remains fine and the feed situation for migratory birds is to their liking.

However, crops are now in swath and ducks have been doing considerable damage around the R. Shantz, A. Bode and Ed Klink farms. In fact the damage has been so great in this area that special permits were issued to hunters who can get up to six hunters to help them drive the ducks off by shooting. As a result a number of local nimrods have been enjoying a little pre-season shooting at the same time seeing the farmers considerable crop damage from ducks and the grand finale of course was duck dinner for the Labor Day holiday. (We understand the duck dinner in most cases was an excuse for the hunters to get into the duck pond and to get to the bottom of the old ducks).

Junior Farmers' Union Formed At Westerdale

Mr. Morris Shaw of the Lakeside District F.U.A. of Lacombe assisted eleven junior boys and girls of the district to form a local Junior Farmers' Union of Alberta organization last Saturday evening at the home of Mr. and Mrs. A. Buckley, where the following officers were elected: President, Robert Jackson; vice president, Edwin Jackson; secretary, treasurer, Norma Buckley; directors: Marilyn Jackson, Patsy Buckley and Gerald Kershaw. Two more directors will be appointed later.

Lunch Committee: Jim and Phyllis Jackson. Social and Recreational Committee: Greta Kershaw and Edwin Jackson Jr.

Educational Committee: Patsy Buckley and Arthur Jackson. Publicity Committee: Phyllis Jackson.

Supervisors: Mrs. A. Buckley and Mrs. F. Jackson.

The name of the new organization has not been decided. The date of meetings will be on the first Tuesday of each month and they will be held in the evening at the various members' homes with the exception of the first meeting which will be held on September 20 at the home of Phyllis Jackson.

Mr. Homer Moore of Hollywood, California, renewed acquaintances in the district last Friday afternoon. Mr. Moore came to see Mr. Jones last Tuesday when he received word that his father, Mr. Wm. Moore, was quite ill. Mr. and Mrs. H. Jackson motor to the Elora district on Monday.

Mr. A. Jones purchased a combine last week from Mr. Casey of White Lake.

Last Rites Held For Duane Gebers

Last Thursday afternoon some 350 friends gathered in the Redeemer Lutheran Church, Didsbury, to pay their last respects to a much loved young man, the late Duane A. Gebers, who met death so suddenly and tragically. Many in attendance were school friends of the deceased.

The Rev. Fox, pastor of the Redeemer church, was in charge of the funeral services. There were two special numbers in song.

Rev. J.T. Hoskins, president of the Mountain View Bible College, and Mrs. Hoskins, sang very feelingly "Some Day He'll Make It Plain to Me."

Mr. Abe Neufeld of the United Missionary Church of Mountain View, Didsbury, read comforting words, "Jesus Still Remembers When the World Forgets."

Rev. Fox delivered a fitting and very timely message on the subject "Watch." His words were earnest and to the point, reminding his hearers that death visits the strong and feeble, the young and the old.

Six young friends of the deceased acted as pallbearers: Donald and Willard Archer of the Mountain View Sunday School, Claude Treim and Delbert Fulkert, school chums from the community, Marvin Nixdorf of Aldridge and Wayne Clark of Balzac.

Duane will be greatly missed throughout the entire community for he was a frank, friendly natured fellow, the kind that invites friendship.

His early schooling up to Grade 10 was received at Mona school. Last year he roomed and boarded at Mountain View Bible College while taking Grade 11 at the Didsbury High School. By his usual sunny disposition he endeared himself to the students and staff who were looking forward to his return this year.

He faithfully attended Sunday school and church at the Mountain View United Missionary Church where he was secretary of the Young Peoples' Society until early summer. He later attended the Redeemer Lutheran Church.

He will be greatly missed by his loved ones although his mother may perhaps feel his loss most keenly. Mrs. Gebers can well be commended for her thoughtfulness to others in this time of bereavement as many of the very beautiful flowers were given to the sick both in the hospital and community, and to the aged.

May the Giver of all Good, whose wisdom is sometimes bitterly questioned when such a stunning blow falls, pour a balm of understanding in the bleeding hearts of Duane's family.

Duane Arthur Gebers was the second son of Mr. and Mrs. Arthur Gebers. He was born April 10, 1933, at Clarkfield, Minnesota, and moved to Balzac with his parents on November 1, 1938. On March 1, 1940 he came with his parents to the Didsbury district to reside nine miles east of town.

Surviving are his sorrowing parents, Evelyn and Arthur Gebers, two brothers, Myron and Gordon; his aged grandparents, Mr. and Mrs. H. A. Hanson of Balzac.

His uncle and aunt, Mr. and Mrs. H. H. Gebers, came from Clarkfield, Minn., to attend the funeral.

Arrangements were in charge of Didsbury Funeral Home and burial followed in the Didsbury cemetery. —Contributed

Ditchdigger Making Excellent Progress

The Labor Day holiday slowed up work on the laying of the Didsbury sewer mains, and lack of sewer pipe may further delay the project. However, to date the big ditching machine has been making excellent progress and by Friday night the sewer ditches have been dug and pipe laid from the disposal plant site to the Payne-Deerman corner, from the Efford-More corner on main street to the Jenkins & Greenleaf corner, and from Law's Drug Store corner west to the west boundary of town.

So far very little rock has been encountered in digging the ditches and this has been the reason for the excellent progress made so far. By Wilson & Wilson Construction Company, contractors for Didsbury's water and sewer mains.

Studying World Bank at First Hand

In three years the International Bank for Reconstruction and Development, one of U.N.'s Specialized Agencies, has received hundreds of visitors, but few have shown more interest in the Bank's operations than a group of 32 students from eleven countries who recently visited the Bank. Here with Bank's President Eugene B. Black, are (left to right) Suzanne Vaucher of France, Jirada Hrazdova of Czechoslovakia, and Aavo Kemppinen of Finland. They studied in the U. S. on American Field Service scholarships.

A BEAUTIFUL LITTLE PARK

By Marjorie K. Stiles

There is a beautiful little park in the southern end of town, which only a couple of years ago was nothing more than a dry slough full of rough hummocks and dry weeds. Have you seen it recently?

I am referring of course to the landscaping in front of the Crystal Dairy. The large area of terraced lawn makes a perfect setting for the flower beds which have been planted with the thought of continuous blooming throughout the season. Some of the flowers at their best just now in the beds are snapdragons, petunias, lobelia, alliums and others I could not name.

Perennials and shrubs, such as honeysuckle and lilacs, will be seen at their best next spring.

I was also interested to see a number of weeping birches about four feet tall. These have not done so well on account of the dry season, but which do not come through the winter will be replaced.

Mr. Worlde and the staff, who I understand have all co-operated in making the project such a success, as well as the man who planned the landscape, are all to be congratulated for a fine piece of work which we are all enjoying and which will increase in beauty as time goes on.

24 Pupils Attend Westcott School

School commenced at Westcott last Thursday with Mrs. E. Konshuh as teacher. This year there are 24 pupils and we understand all the grades from 1 to 8. The benefit dance held in the Cremona hall last Friday night for Mrs. Wilbert Papke of Big Prairie, who was seriously injured in June while playing ball, was very well attended and all report a lovely time. L. Krebs of Didsbury won one of the door prizes.

Mr. and Mrs. W.V. Lawrence of Oakland, California, who has spent the past six weeks visiting relatives around Didsbury and Carstairs, were Saturday evening dinner guests at the home of their niece, Mrs. Herbert Goetjen.

Mrs. Chas. Chevalier and sons Chas. Jr. and John and daughter Evelyn, of Chicago, Ill., who have been visiting relatives in the Carstairs district, spent Monday at the home of Mrs. Chevalier's nephew, Mr. Herbert Goetjen, and family prior to leaving for their home in the States on Tuesday.

Mr. Donald Folkman spent the weekend with his parents, Mr. and Mrs. O. Folkman. Donald is again attending Red Deer Composite High School.

Some combining was done in the district last week before the rain, and as well as threshing of stocks will continue as soon as sufficiently dry. The cutting of crops is almost completed.

Congratulations to Mr. and Mrs. P. Walker on the arrival of their daughter, who was named Elizabeth Jane.

Our high school students from Monday are back at school except Donald Robertson, who is expected back from Eastern Canada this week.

Mr. and Mrs. James Borley and family of Calgary called on the H. Goetjen family on Sunday and found them not home, so visited with Mr. and Mrs. H. Papke of Didsbury.

Antiques Shown At Westcott W. I. Meeting

The Westcott W.I. met at the home of Mrs. H. McFarlane on Thursday, September 1st with 14 members present. Roll call was answered by giving a laundry or washing hint.

The majority of members present expressed their desire to see the handcraft contest carried on at the conference next year.

Mrs. G. Ford was unable to be present to give her paper on a "famous artist," but she will give it at the next meeting.

The antique display was very interesting. Each member was to bring her oldest article and give a brief description, and some of the things were very old, indeed, being 100 years or more in existence.

A paper on the "Legal Status of Women" was given by Mrs. J. Robertson. She read an address given at a U.F.W.A. convention by Mr. F.E. Brownlee.

The bit of fun was taken by Mrs. Ed Klink.

The next meeting will be held at the home of Mrs. Klink Sr. when roll call will be "Your suggestion for a better bazaar." Don't forget the mitt and sock contest, and for those who do not knit they are asked to bring an article of equal value, which will be sold at the bazaar some time in November.

George Smith Jr., machinist's apprentice at the Calgary Alberta, spent the week end holiday in Didsbury.

Hospital Stretcher Project Discussed By Rugby W. I.

There was only a small attendance at the Rugby W.I. meeting held this month at the home of Mrs. A. Cowitz. During the afternoon the suggestion made at the last convention, namely, "that all W.I. branches in the constituency contribute towards the procuring of a stretcher for the local hospital," was well discussed and all were in favor of the project.

Handicrafts for 1950 were also discussed. An article on the new drug "Cortisone" was read and discussed. According to Dr. Russell Marker, official of the Treemond Pharmaceutical Co., this drug can be produced in large amounts from the tropical yam grown in Mexico, etc. This is good news for arthritic patients.

The bit of nonsense presented by Mrs. Blain caused much laughter. Following God Save the King lunch was served. It is hoped every one got home before the storm.

Building Increases With Waterworks

There is still considerable building going on in Didsbury, but the lack of cement has been holding up many projects. Some American cement is available, but this is about seventy-five cents per sack more than the local product, and the size of the American cement sack is only about eight pounds in weight larger than the Canadian.

The new brick east of the Didsbury Pioneer office which is being built by John Wozniak for Wm. H. Foat and L. Diekau is now well under way and the cement foundation was completed last Friday. The walls of cement block construction are now being put up and it is possible that the new owners may get moved in before freeze up.

A number of new dwellings in town are nearing completion and more are being planned for the coming year.

The incentive to build in Didsbury is mainly prompted by the construction of the new water and sewer system, which should be in operation early next summer.

THE UNITED CHURCH SCHOOL FOR LAYMEN

The Christian Educational School for laymen operated at Naramata, B.C., has made remarkable progress during the last two years under the principalship of Rev. "Bob" McLaren. Naramata is situated ten miles from Penelton and is therefore within easy reach of Alberta; already many of our young people have attended. Its purposes are to help young people discover their "calling in life" and meantime, to provide them with Christian Education such as will better fit them to be Sunday school teachers and Young Peoples' leaders. At the same time provision is made to help students complete the high school course. The residence already provides dormitory accommodation for fifty students and this includes facilities for class rooms, sleeping, dining, recreation, crafts, hobbies, library, laundry and administration offices.

Voluntary gifts reduce the overhead expense of this school and make it possible for all suitable applicants to be received as students. The A.O.T.S. Men's Club at Didsbury is sponsoring a local project during this September. A C.P.R. car, partly loaded with vegetables from the north, will be "spotted" here and the plan is to contribute 4,000 pounds of flour, 1,000 pounds of cereals, and 500 pounds of pancake flour. Interested men from Carstairs area have offered to share this project.

Further details will be worked out at the preliminary meeting of the A.O.T.S. Club to be held on Monday evening, Sept. 12, at 8:00 p.m. in the United Church school room, where a film of Naramata school will be screened, and refreshments will be served.

It is expected a number of students from the Didsbury district will attend this school during the coming term.

Further particulars can be obtained from Rev. J.W. Bainbridge or any member of the A.O.T.S. executive.

A new \$100,000 veterinary laboratory has been recently opened in Edmonton by the provincial department of agriculture.

"What's Dick doing?"
"Well, Dick is a cattle salesman."

"And William?"
"He's a minister."

"And Tom?"
"Well, Tom is engaged in politics."

"And you?"
"I'm farming — and feeding Dick, Tom and William."

UNITED KINGDOM EXPECTS
LARGE APPLE CROP

The total yield from the present apple crop in the United Kingdom is estimated at 470,000 tons, or approximately 26.3 million bushels. The ten year average from 1939 to 1948 was 329,000 tons, or 18.4 million bushels.

The lengthy period of dry weather over the southern part of England, where the greater portion of orchard acreage is located, appears to have affected only the early dessert apples now being marketed, but the more important varieties have been undamaged.

SCIENCE AT WORK
IN FAR NORTH

At scientific research stations at "Churchill, Man., and Baker Lake, N.W.T. some of the most competent Canadian specialists are conducting basic research programs in entomology, the mechanics of snow and ice, nutrition, archaeology, protection against cold, and many related subjects. Weather stations have been established at strategic locations throughout the north and as a result, meteorological knowledge is rapidly expanding. Scientists from the Dominion Observatory are working in the fields of geophysics and terrestrial magnetism. Geologists, topographers and geographers are also at work in the north.

BUTTER SUBSTITUTE SALES

Sales of margarine in Canada in the first six months of 1949 totalled about 32½ million pounds. This large volume was sold in the face of the fact that some provinces banned the sale of margarine. Ontario is the greatest user of the product.

The sale of margarine is banned in Quebec, but "whey butter" is sold in Montreal at about 12 cents below the price of creamery butter. "Whey butter" is slightly paler than creamery butter and tastes a little like cheese. In the meantime butter stocks are mounting, being in excess of 12 million pounds.

Original street lights were fibre torches.

From the end of the war to March 31st, 1949, 324,322 immigrants entered Canada.

HOW TO HAMMER

It is little consolation after hitting your thumb violently with a hammer, to hear the old wise-crack "Why don't you hold the hammer with both hands?" And in any case, it's not the way the hammer is held, so much as the way the nail is held.

There are two ways to hammer a nail. One often leads to smashed thumbs; the other to the insertion of the nail without trouble. The correct way is to hold the nail between the thumb and forefinger near the head of the nail. If the nail slips, the hammer head tends to brush the thumb and finger to one side with little damage.

The wrong way to support the nail is at the base. This results in injury because the thumb and forefinger are more or less stationary against the surface being nailed. If the nail slips the hammer descends and smashes the thumb and forefinger against the solid surface.

INDIANS OPERATE SAWMILLS

As a practical step toward better Indian housing the Indian Affairs Branch has established sawmills at various points. This enables the Indian homebuilder to bring in his logs for the Indian lumbermen to mill while Indian labor mixes the cement and builds the foundation. Only those necessities not within reach—window panes, asbestos, insulation, shingles, etc.—are paid for out of public funds.

GRAIN HANDLING CHARGES

Country elevator grain handling charges for the 1949-50 crop year have been set by the board of grain commissioners at the following rates per bushel.

Wheat, barley and rye 2½ cents; Oats 2 cents and flax 1½ cents. These rates are the same as were in effect last year with an increase of ½ cent per bushel in the case of oats.

Sears and Roebuck, big U.S. mail order house, has cut the price of farm implements in its retail division from 4 to 16 per cent.

Because the earth's atmosphere bends the moon's rays, the moon is not actually where it appears to be when looked at from the ground.

-: DISTRICT NEWS :-

BERGEN NEWS NOTES

The August meeting of the Bergen Ladies' Aid was held on the 31st at the home of Mrs. P. Dyck. After the business of the day was disposed with a letter was read from a missionary to whom the Aid sends a yearly contribution. It was decided to have a quilting bee and pot luck dinner at the home of Mrs. Norman Halverson on Tuesday, September 13. The serving of a delicious lunch by the hostess brought the afternoon to a close. The next meeting will be held at the home of Mrs. Ivor Erickson.

The government road crew is in the district and they began graveling from Lund's hill to McDougall coulee on Wednesday morning, but the heavy rain Wednesday evening made the new grade so soft that they decided to work west instead. By Saturday noon they had completed the road as far as the Bergen store. We understand they will re-gravel the three miles west of the Bergen store and the Bergen-Sundre road.

This part of the country is really looking up these days. With a good road and a telephone, what more could we ask.

Rev. and Mrs. Olaf Haug of Yakima, Washington, are spending several weeks visiting friends and relatives in the district. Mr. John Haug returned with them from the U.S.A.

Miss Helma Olson of Three Hills is spending her holidays at her parental home here.

Miss Mildred Olsen, who has been a patient for many months in the University Hospital in Edmonton, is now able to be up and around a bit and is expected home in a couple of weeks.

Mrs. Nel Tedford entertained the members of the W.M.S. sewing circle this week and the afternoon was spent in rolling bandages for foreign mission use.

The Bergen school opened Thursday with Mr. Richard Harder as teacher. The enrolment is large this year as new families have moved into the district, and there are quite a number of beginners as well as the Eldsvald school pupils being transported here by van. R. Emallee is driver of the Eldsvald van.

MOUNTAIN VIEW

Mr. View W.I. will hold its September meeting at the home of Mrs. Tom Pratt on Thursday, Sept. 15. Roll call is a hint on labor-saving gadgets and the lunch is pot luck.

Mr. and Mrs. Tom McCall were supper guests of Mr. and Mrs. Stewart Hooper on Monday evening.

Grandma Wood of Calgary is visiting with the Worrall family for a week.

Mr. and Mrs. Jack Underhay visited Sunday evening with Mr. and Mrs. J. Worrall.

Mr. and Mrs. Ray Allen and family of Carstairs were guests of Mr. and Mrs. Harold Shultz on Sunday.

Mrs. A. Gebers was in Calgary on Saturday.

Mr. and Mrs. L. Hunter, Mr. and Mrs. H. Swanson and family, Mrs. E. Hunter and Grandma Wood spent Sunday at Pine Lake on a picnic. Mr. and Mrs. Theo Hunter of Penhold joined them at the lake. Mr. C. Elliott of Nanton visited with her son and daughter-in-law, Mr. and Mrs. Barney Elliott, on Friday.

Mr. and Mrs. Roy Bellamy and son of Calgary visited over the Labor Day weekend with Mr. and Mrs. Ed McNeil.

Mr. and Mrs. Tom McCall of Calgary spent the long weekend with Mr. and Mrs. Grenville McCall. On Sunday evening the former were supper guests of Mr. and Mrs. L. Hayne.

Mr. and Mrs. Bob McCulloch were dinner guests of Mr. and Mrs. Ed McNeil on Sunday.

Mr. and Mrs. John Bruce attended the wedding in Calgary Saturday evening of the latter's cousin, Mr. Ken Noble, to Miss Joyce Link of Calgary. The wedding took place in St. Stephen's Church and the reception in the sun room of the Palliser. Ken Noble was a former Didsbury boy.

Mr. and Mrs. Otto Bittner and family were guests of the Wagner family on Sunday.

Mrs. W. Bruce visited for a few days last week with her daughter, Mrs. E. Rogers, at Acme.

Mr. and Mrs. Rex Dawson were dinner guests of Mr. and Mrs. W. Bruce on Monday.

Colgate Clock in New York harbor, with an illuminated dial 38 feet in diameter, is the largest clock in the world.

BURNSIDE NOTES

Quite a number of friends and neighbors from this district attended the funeral of Duane Gehers on Thursday last, and to the bereaved family we extend the deepest sympathy.

Mrs. D. B. Wood met with a painful accident last week when she burned her hand and arm with boiling grease, necessitating medical attention.

Mr. and Mrs. Louis McCulloch of Edmonton visited last Thursday morning with the Jim McCulloch and Walter McCulloch families, travelling in their light plane.

Mr. Henry Hooper of Calgary made the rounds of the district last week and visited many old friends and neighbors.

Mr. and Mrs. Glenn Jackson of Acme and Mrs. D.B. Wood were dinner guests Sunday with Mr. and Mrs. Lynn Hunsberger. Norma McCulloch, who has been home for the summer vacation, has returned to Edmonton to complete her grade 12.

Mrs. Arthur Jenkins visited for five days last week with her son, Dick.

Harvesting is in full swing in the district and most of the grain is being combined due to the short crop this year.

Mr. and Mrs. Warren Persinger of Springfield, Ill., and Mrs. Fred Blodgett and Warren Persinger Jr. of Moline, Ill., spent Saturday at the home of Mr. and Mrs. Ivor Weber.

Mr. and Mrs. W.P. Shultz have as their guests this week their nephew and niece, Mr. and Mrs. Paul Koefe of Danville, Penn., who are on their honeymoon trip to Western Canada.

Mr. C. H. Mardon of the Belcher Convalescent Hospital in Calgary, spent the long weekend at his home in the district.

Bill Hughes has sold his farm to Mr. Loewen.

Bernad Kenneth and Lytle Shultz spent the holiday weekend at Banff.

NOTES FROM EAST

The people from the east district extend their deepest sympathy to the Gehers family.

Mr. and Mrs. B. Smith and family, daughter, and Mrs. Lucy Thompson visited with Mr. and Mrs. Alfie Thompson on Sunday.

Mr. and Mrs. James Schumaker of Calgary visited over the week end with the former's parents.

Mr. Will Strome visited for a few days recently with Mr. and Mrs. Floyd Ahlgren.

Bill Schumaker visited on Sunday with his parents and in the afternoon he and Hank Campbell went to see the ball game between Reed Ranch and Bowden.

Those visiting at the Thompson home Sunday night were Mr. and Mrs. George Long, Mr. and Mrs. Peter Schumaker, Mr. and Mrs. James Schumaker, Mr. and Mrs. Neils McLean, Mr. Elwood Topley, Mr. and Mrs. Harold Thompson and Mr. and Mrs. Herb Ziegler.

The next Lone Pine W.I. meeting will be held at the home of Miss Merle Siebert on September 14th.

A lovely shower was held at Jutland school for Mr. and Mrs. Jake Harder, the Jutland school teacher and his wife, when about 30 men and women and all the school children gathered last Friday evening. A program of community singing games and quizzes was held. The honored guests were presented with a nicely decorated basket of gifts in a little wagon drawn by Beverly Thompson and Delbert Shells. Miss Gladys Shells made the presentation speech.

After all the presents were opened the young couple thanked the people very graciously. A pot luck lunch was then served by the school children with Mrs. H. Shells, Mrs. Bruce Shells and Mrs. Huggard giving a helping hand.

At the close of the evening's entertainment the gathering sang "Wish You Luck as We Wave You Good Bye" to the young people.

Miss Vivian Ahlgren spent the long weekend with her parents. She is taking a nurse's training in Calgary at the Technical school.

Mr. and Mrs. Peter Schumaker were business visitors in Calgary last Friday and met Mr. and Mrs. Garnet Tighe while shopping.

Mr. and Mrs. Alex Kroon of Didsbury visited with the Schumakers one day last week.

Mr. and Mrs. Lloyd Hayne and the latter's father are away on a holiday trip to the coast.

Canada's maple syrup production this year totalled 2,366,000 gallons, an increase of 147,000 gallons over last year, with a total value of over \$9,000,000.

LITTLE ITEMS OF LOCAL INTEREST

Leo Nichols is having his John Deere building stuccoed. When the building was constructed about three years ago the outside was given only the initial stucco coat, and the finishing coat was applied last week.

Mr. and Mrs. E. G. Ranton spent Labor Day with Mr. Ranton's brother at Mayerthorpe, Alberta.

Mr. and Mrs. Roy McArthur and family spent the Labor Day week end at Banff.

Mr. and Mrs. Bruce MacLaren and daughter of Blairmore visited this past week at the home of the latter's parents, Mr. and Mrs. H. Bowman.

Mr. and Mrs. W.D. Spence are away on holiday and during the former's absence Mr. Dodd is acting manager of the local branch of Jenkins' Groceria.

—Please pick up your 1949 dividend cheque at the Alberta Pacific Grain Co. elevator. 35-2c

Mr. and Mrs. F.H. Meggars of Channah, Ohio, arrived in Didsbury last Thursday evening and spent a few days in the district looking over their farm interests east of town. Mr. and Mrs. Meggars visited at Banff and Lake Louise prior to coming to Didsbury, and enjoyed their holiday at the mountain resorts.

—Mr. C. F. Donner, R.M.T., will open his pianoforte classes on Thursday, Friday and Saturday, September 8, 9 and 10. New pupils will be accepted by appointment. Old pupils will please keep the times they had before the holidays, unless other arrangements have been made. 35-2c

Miss Evelyn Willison returned to Didsbury last Wednesday from an extended holiday in Eastern Canada. While in the East this summer she attended the M.R.A. conference at Machinaw Island where representatives from all over the world gathered to discuss Moral Re-armament problems.

—Mrs. Cutler wishes to announce that she will resume her music class at the home of Mrs. F. Belfenstein, commencing September 5, at the usual time.

Mr. and Mrs. S. Wright entertained many friends and relatives Saturday evening, August 27, in honor of Mr. and Mrs. Jim Wright's first wedding anniversary. The evening was enjoyed with singing and dancing and a delicious lunch was served. Among those present were Mr. and Mrs. George Scott, Jean and Bob Jancsek, Mr. and Mrs. Allan McEae and family, and Mr. St. Hopkins, all of Calgary.

Mr. and Mrs. Joe Freeman returned home Friday from Eastern Canada, driving back a new Dodge Sedan from the factory.

Charlie Tighe, who recently returned from a trip to Eastern Canada, and who visited for a few days last week with his nephew and niece, Mr. and Mrs. G. Tighe, left Friday for his home at the Pacific coast.

Mr. and Mrs. H. Lynch-Staunton returned Friday from Banff where they attended the Bar Association convention.

Albert Miller of London, Ontario, arrived Saturday to visit his brother-in-law and sister, Mr. and Mrs. E. T. Wiggins, and family.

—Fall Dry Cleaning time is here. Take it to Berscht's, phone 36.

Rev. John Walker and family of Salem, Oregon, attended the wedding of Mrs. Walker's brother, Mr. Grant Bingham, who was married to Miss Kathleen Proudfoot, of Chlnook, Alta. Rev. Walker is the pastor of a large Free Methodist church in Salem. Mr. and Mrs. Walker are both graduates of Mr. View College, Didsbury.

Mr. and Mrs. W.A. McFarquhar and family spent the holiday week end in Calgary.

Mrs. Lawrence Wamsley and daughter Lorraine of Redwater, Alberta, spent the week end with Mr. and Mrs. Lorne Liesemer of Rowley.

Mr. and Mrs. George Smith, who now reside at Banff, spent the Labor Day weekend with their son-in-law and daughter, Mr. and Mrs. Eric Atkinson.

Correction—The Rev. O.L. Traub children will return to Africa with their parents, and will receive their education through correspondence courses from the Alberta Department of Education.

—Miss Ruth Bainbridge, A.R.C.T., has re-commenced her piano class. It would be appreciated if prospective pupils would register as early as possible so that a time table can be completed.

Mr. and Mrs. Ed Liesemer of Rowley, Alberta, are making their new home at 1514-22nd Ave. S.W., Calgary. They invite their friends to visit them.

Friends will be glad to know that Donald Aussenhus, who has been convalescing at home for the past week, is showing steady improvement in health and would be glad to have visitors call.

Mr. and Mrs. Frank Emery of Acme visited Sunday and Monday at the home of Mr. and Mrs. Wilf Skerry. They were accompanied on their return to Acme by Mrs. H. Skerry, who has been spending the past week at the Skerry home.

A couple of carloads of sewer and water pipe arrived in Didsbury Monday and was unloaded Tuesday. The construction work on the waterworks system can now go ahead without delay.

Mr. Paul Gilmore arrived from Vancouver on Friday and spent the weekend with his aunt, Mrs. E.B. Grange, and Mr. Grange. Mr. Gilmore won a \$2400 exchange scholarship and a \$350 national research scholarship at the university of British Columbia and is on his way to Cambridge University in England where he will take a four-year course. He left Sunday night to visit with relatives in Montreal before embarking September 11 for the Old Country.

Mrs. E. Brinton is convalescing in the Didsbury hospital.

Miss Mae Ringheim of Lethbridge spent the long weekend at her home in Didsbury.

Born in the Didsbury hospital to Mr. and Mrs. Wilf Skerry on Tuesday, September 6, a girl.

Birds will not fly out of sight of the ground when there is a thick fog.

A woman approached the Pearly Gates and spoke to St. Peter.

"Do you know if my husband is here? His name is Smith."

"Lady, we have lots of them here. You'll have to be more specific."

"Joe Smith."

"Lotsa those, too. You'll have to have more identification."

"Well, when he died he said that if I ever was untrue to him, he'd turn over in his grave."

"Oh, you mean 'Pinwheel' Smith."
